= height valid for closed bag (rolled 3-4 x); add about 20 cm/ 8 in. for open bag;

- Dry bag for average use with good weight/durability ratio
- Olive-lemon coloured version with valve for deflation or inflation
- Coated polyester fabric
- Ideal for waterproof packing (e.g. sleeping bags) in backpacks
- Suitable as drybag inside non-waterproof backpacks
- Loop at the bottom for anchoring or holding (when pulling contents out of the bag)
- Has two D-rings for safeguarding
- Easy to clean

Caution: The roll closure must be rolled at least 3-4 times before the bag is fully submerged under water
