- Waterproof tank-bag for motorcycles with steel tanks
- Adjustable base-plate of non sliding and tank saving material
- Attachment at the tank with seven adhesive magnets
- For protection of the tank paint we recommend an additional foil between tank and magnetic plate
- Additional security at handlebar column with a strap
- Reliable roll closure and useful side-release buckles for attachment one upon another (if two bags are used) and on the base plate
- Inner panel establishes dimensional stability of the bags, even at high speed
- Waterproof map case can be used without tankbag directly on the base (interior dimensions of mapcase: 22 x 26 cm / 8,7 x 10,2 in)

NOTE: Due to the strong magnets used, keep cheque cards with magnetic strips away from the base plate to avoid possible loss of data!

Comes with bag, magnetic plate, strap and mapcase
