

ORTLIEB MICRO TWO

ULTRA LIGHT WEIGHT SADDLE-BAG FOR ROAD AND MOUNTAIN BIKES

Following the motto „less is more“, the super lightweight saddlebag Micro Two transports everything you need to take along your road bike or mountainbike. The handy roll closure with elastics ensures tight and waterproof storage of your gear. Super small dimensions allow mounting to your bike requiring very little space. Two metric screws permit easy mounting to the saddle rails. With the click and snap closure the saddle bag can be taken off with just one hand.

A strong reflector provides safety in dusk and at night. Micro Two is PVC-free and sustainably produced in Germany.
