

# ORTLIEB RACK-PACK URBAN

## TRENDY WEEKENDER

Rack-Pack Urban is a versatile duffel for travelling and city trips, also ideal for sports and leisure, university or short trips. The longitudinal roll closure features a large opening allowing quick access to your stuff and protecting your gear from water and dust in the time-tested and trusted „ORTLIEB Way“.

Rack-Pack is a favorite for travelling and shopping tours as the roll closure allows individual adjustment to volume and contents. The limits of a suitcase are unknown to the Rack-Pack. The Urban Line version of the Rack-Pack is made of a Cordura blend and features modern and stylish details and components in aluminum looks.

The removable shoulder strap with microfiber padding and comfortable carrying handles make it easy to handle.

Inner pockets make organization and packing easy and are ideal for storing small items such as smartphone, keys etc. The Rack-Pack Urban is a PVC-free product sustainably made in Germany.
