# ORTLIEB VELOCITY DESIGN

## WATERPROOF DAYPACK IN ALL BLACK LOOK

Symmetry and Waves are the new designs of the classic Velocity, which come with a lot of style in an all black look. Made for everyone who wants both style and uncompromising functionality. The Velocity Design offers 23 liters of volume and is the ideal backpack for students and commuters alike. This super practical daypack guarantees quick access and 100% water proofness thanks to the Velcro roll closure. An inner pocket with a laptop compartment stows notebooks and iPads (max. 15.4 „) securely and safe from even the worst weather. A padded back, anatomically shaped shoulder straps and chest and hip belts increase wear comfort. Extra protection at the lower corners keeps wear and tear at a bay, and the Velcro strap has a loop for the attachment of a taillight or your bicycle helmet. Like all ORTLIEB products, the Velocity backpacks are sustainably made in Germany.

## FEATURES

Handle, easily removable and adjustable hip belt

## OPTIONAL ACCESSORIES

Closure Extension

## PRODUCT DETAILS
